

**CABLE TELEVISION ADVISORY COMMITTEE  
OCTOBER 20, 2009**

**Members Present: Charles Beale, Gerald Larence, Therese Woodhouse**

**Approve minutes from September meeting: motion made and seconded. Vote 3-0**

**Election of Vice-chairman: Therese Woodhouse**

**Web site / email address for committee: Chuck displayed website as it exists today  
Could add Lighthouse Business Solutions letter, Comcast contract, Verizon contract**

**Committee charter feedback from BOS: no action taken by BOS**

**Status:**

**Verizon: FIOS will be available November 2; PEG access will be available  
November 18**

**Comcast: Gerry to get clarification on the need for a digital adapter for a  
digital TV**

**New Business**

**Correspondence**

**Comcast will be changing to digital. Some channels will change November 10 and  
the others will be changing in December.**

**Comcast price changes by \$2.00**

**Other:**

**Message from North TV regarding the reliability of the old INET: asking us to  
check into the Comcast contract regarding upkeep.**

**Gerry talked to Chris Miller at North TV – INET is up but no way to predict when  
it might fail. Does North TV have any records of how many times it has gone down?**

**North TV will be able to use FIOS line to get programming out as well.**

**Verizon has hired an outside firm to go door-to-door to solicit customers for FIOS**

**BOS would have to mandate having the door-to-door people report to the Police  
department.**

**Thursday, December 3, appear before the BOS to report on our happenings.**

**Gerry to correspond with Comcast regarding DAT's and Digital TVs, and Town Administrator regarding charter feedback.**

**Next scheduled meetings will be held in the police department classroom**

**November 17**

**December 15**

**Motion to adjourn vote 3-0.**

**Meeting adjourned at 6:45 PM**
