Everyone wanted to share views regarding Article 6 of Warrant for Town Meeting on Mon 9/21/09.

However, Article 6, not being from RTMCC, discussion was ruled to be out of order.

Robert Nerz reported that both the Warrant (21 days) and Recommendations of FinCom (14 days) for Town Meetings were posted on the Town website and could be made available immediately to RTM members for their study. Agreed, that Chairman would write to the Town Clerk and Selectmen requesting that he be immediately notified of all such postings, so that he could email the notices to all RTM members.

Town Accountant notified all departments, including RTMCC, that signatures of a majority of attendees are required on vouchers for payments.

Chairman advised that pdf file software (to both initiate and read) was available free from "PDF995".

Chairman will pass along to Town Clerk and Selectmen our letter stating the RTMCC voting policy and will copy RTMCC members.

Next meeting of RTMCC will be at 7:00 PM on Mon 10/5 09 in large meeting room of NAPD (police facility).
